

Note: Retain a Copy of your Records.

We will directly bill the insurance provider when possible. As a service, we will verify the insurance eligibility and any possible co-pays first. We bill the insurance providers in order to minimize your patients' out of pocket expenses.

***Please make sure to obtain and provide the best phone number so we may contact the patient regarding the medication and verify the shipping address.

Directions for use:

Please follow the instructions below:

1. Before each application, clean and dry affected areas.
2. Apply a small amount of cream to the affected area and rub in well for 2-4 minutes, or as directed by your physician.
3. Do not wash the area where cream was applied for an hour after application.
4. The cream may feel tingly after applying, which is normal.
5. Please store cream at room temperature. Do not refrigerate.
6. Get with your Representative to make a toll-free Call.
